

FORMETCO®

Excellence is our standard.

This superior backlit offers unmatched color rendering

Long lasting LED illumination

LED Backlit Retro Kit

Upgrade your 30 sheet posters with superior backlight technology

- Superior LED illumination outperforms any other type of lighting
- All lightweight components means no crane is required for the conversion
- Perfectly even, edge to edge illumination
- Uses existing power - 2 sign faces require only one 20 amp circuit
- Provides true color accuracy through the purest white light output
- Take advantage of cash incentives from Municipal Energy Programs
- Designed for very low maintenance and long life - with a 5 year warranty
