

FORMETCO®

Excellence is our standard.

6" QuickPost™
Louvers

QuickPost™ Louvers

A better way to install graphics on our Tri-Face System

- No other system installs this fast
- Existing signs can be easily retrofitted
- Eliminates the need for removable face plates
- Eliminates the need for pressure sensitive vinyl
- No crane or truck required for transport of installing louvers
- Cuts install time by hours and saves you thousands of dollars
- Can easily be installed by one person even in adverse weather conditions
