

FORMETCO®

Excellence is our standard.

Outdoor's Strongest Posting Ladder

Better Posting Hooks

- Solid one piece aluminum design
- Extra wide 11" depth accommodates poster panels and Tri-Face displays

Stronger Construction

- No spot welds or rivets that can break
- Engineered side rail support helps stop stress cracks

Superior Design

- Convenient tie-off brackets
- Slides smoothly over all poster panel trim
- Two pre-mounted tie-off points to maintain 100% tie-off compliance
- Accommodates both small and large lanyard hooks
