VINYL TENSION BRACKETS

IDEAL FOR BOTH BILLBOARDS AND WALL SYSTEMS

Copy is easily installed and released with the push of a pin.
Ideal for both billboards and wall systems.

Features and Benefits

- Ribbed design for strength
- Fully adjustable with the vinyl attached
- Eliminates the use of ratchets along the bottom of billboard panels
- Copy is pulled straight down instead of wrapping around the bottom of the bulletin panels
- Eliminates nesting animals and pooling water, extending the life of your bulletin panels
- Includes all mounting hardware
- Install 3 brackets per 10’ to 12’ gripper bar or 4 brackets per 14’ gripper bar
